Telematics. Worldwide.

World wide leader in telematics connecting
over 60,000 vehicles in over 50 countries.

GPSi™, with offices in Sarasota, FL, Austin, TX, the UK, Sydney, AU and Hong Kong, is a leading provider of cloud-based telematics solutions, tracking more than 60,000 connected vehicles in over 50 countries. GPSi develops custom software solutions for fleet managers in various industries, from luxury motorcoaches to golf cars to school buses. GPSi's intuitive software provides operators the information they need at their fingertips – and with 24/7/365 U.S.-based customer support, a global field service organization and zero third party contractors, GPSi is dedicated to delivering the best customer service in the industry. **Connect™ with GPSi today to schedule a demo!**
